OUR RESTAURANTS

AT L'HÔTEL DES DROMONTS

LE FESTIVAL

Take a break and come to Le Festival for lunch in the vaulted dining room or out on the sunny terrace. There is a snack menu as well as Savoyard specialities, so that you can bring your guests together for lunch or an informal dinner: a burger, coquillettes with truffles or for those who love mountain traditions, that must-have fondue specially selected by Frédéric Royer, our master cheese maturer from Boujon, the cheese shop.
